About this survey

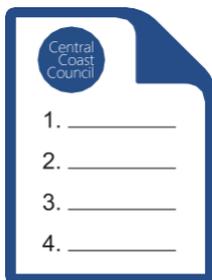

Back to Back Theatre has a new **survey** for people with disability and their carers.

A survey is a set of questions.

We want you to answer some questions about going to Back To Back Theatre events:

- if you have disability
- if someone in your family has disability
- if you are a carer for someone with disability

All the answers will help us make our new **Disability Inclusion Action Plan**.

We call it the Plan.

By telling us more about you, we will make sure it's easy to find information and have the right support when you work with us.

Then you will be able to join in more if you want to.

If you want to know more about the new Plan, please write your email address here:

You could also win a gift **voucher**.

A voucher is something you can buy things with.

We will let you know by email if you have won the voucher!
